

## Quincy's Growing Asian Population: Income, Housing, and Prejudice

BY KANE CARPENTER

Sampan Editor

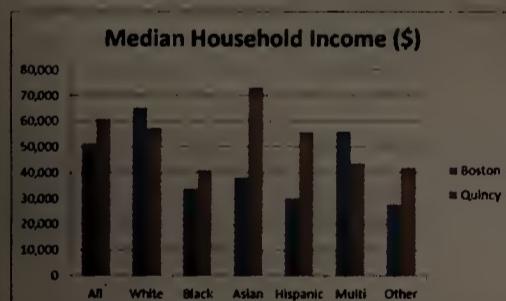

Nearly one in every four residents in Quincy, Massachusetts is now Asian, according to the 2010 U.S. Census data, and along with this development, Asians have the highest median household income in the city of Quincy. However, census data also suggests that Asians in Quincy have the lowest median income per capita, raising the question as to just how well the increasing Asian population is assimilating in the Quincy community, as well as immigrant issues such as illegal housing and the language barrier.

Historically a district made up of predominantly Irish and Italian residents, Quincy City is located roughly five miles south of Boston, where the Asian community earns less than half as much in median household income (\$38,724), and ranks second overall, after the white community – who earn \$65,538 on average.

Traditional Chinese decorations at Kam Man Supermarket in Quincy

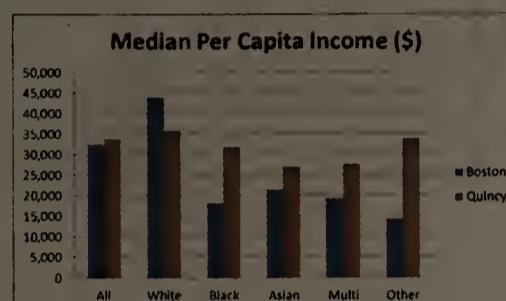

But, the 1980s signaled a change for Quincy as a large population of Asian immigrants began moving into area. Yet, despite a well-documented record of racial tension and ethnic incidents, Quincy's Asian population is still growing – quickly.

Asian households in Quincy earn a considerable amount more than households in Boston

The first wave of Asian immigrants into Quincy have given way to the second generation of Asians, whom have both been raised in Quincy and gone to school in the area, that are more acclimated to the "American way." Nowadays, many Asian households have at least one member that speaks fluent English, making both communication between government and neighbor easier.

Throw in the fact that this second generation of immigrant and non-immigrant children has grown up together, the Asian population's assimilation into the Quincy community "can serve as a model for diversity," according to Betty Yau,

*It is important to note that Asians in Quincy earn the least in per capita income*

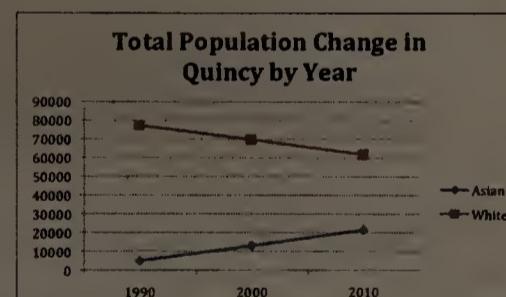

Assistant to Quincy Mayor Thomas P. Koch and the office's Asian constituent service liaison. "We're not looking to be another Chinatown here," she added. "In fact, who needs a Chinatown if we are one community. There is only one community – the Quincy community."

### The Numbers

Today, Quincy's Asian population is thirty times larger than it was in 1980, when the noticeable migration of Asians into the area began to take place. According to the 2010 census data, Asians currently make up 24 percent of Quincy's total population, equating to 22,174 Asians in a total population of 92,271.

In the last 20 years, 16,597 new Asians have moved into Quincy, adding to the 5,577 that were already living in the area in 1990. In 2000, the Asian population in Quincy had already reached 13,546.

In the same period, between 2000 and 2010, the number of Whites in Quincy has decreased, falling from 70,066 ten years ago to a current total of 62,098.

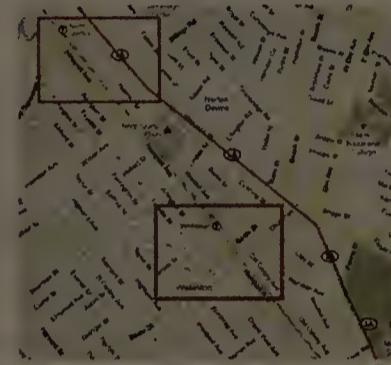

The recent trend shows a decreasing White population and an increasing Asian population

### One Token Theory

In the case of Quincy's Asian boom, the most established theory as to why Asians chose Quincy specifically lies in the form of a single subway token. According to John Brothers, Executive Director of Quincy Asian Resources Inc. (QARI) – a non-profit

organization that provides English lessons, organizes cultural events, and connects immigrants with public services such as healthcare and housing, when Chinese immigrants in the 1980s had saved up enough money from working in restaurants in Boston's Chinatown, the tendency was to look for an affordable location to buy a home.

In those days, the subway ran on a token system (the number of tokens dependent on the distance travelled), and the MBTA Red Line's convenient access to Chinatown, as well as North Quincy and Wollaston stations being single token destinations, meant Quincy became an attractive place to purchase a home.

Highlighted are the areas around North Quincy and Wollaston stations, as well as Hancock Street – all hotbeds of Asian activity

"That's what makes Quincy quite different," said Betty Yau. "We're homeowners here, so there's less desire to pick up and leave."

Hancock Street, the artery through Quincy in which the Red Line travels through, also happens to be the focus of the majority of the Asian activity – in terms of housing, recreation and dining.

"You'll find that right around the subway stations, as well as the road junctions near subway station (such as the intersection of Hancock Street and Beale Street) are the busiest in terms of the Asian community," said Brothers. "It has a lot to do with the easy access to public transportation."

### Illegal Housing and the Quincy Task Force

In 2009, an Iraqi immigrant, living in Quincy with his two children, was killed in a house fire. Because the unit they were living in did not conform to housing regulations – the unit did not have an emergency exit – the family was not able to escape. As a result, Quincy Mayor Koch put together a task force, armed with translators; to investigate every suspected case of illegal housing that was reported.

## District A-1 Community Basketball Tournament

Team of Chinatown

BY CHRISTINE VRAIBEL

On Wednesday, August 24, 2011, the District A-1 Community Service Office held its first annual Community Basketball Tournament. The event was held at The Sports Club/LA located at 4 Avery Street and was sponsored by Christine Dunn and John Ciolfi of the Millennium Place Primary Condominium Ritz-Carlton Hotel & Towers, Boston Common, who graciously provided the teams with jerseys, pizza, drinks and a beautiful cake baked by the hotel's Pastry Chef.

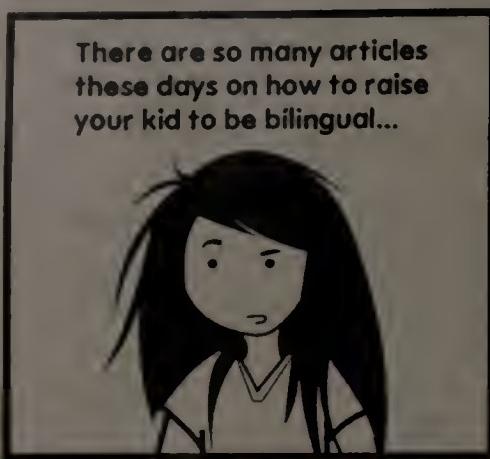

Chinatown and Charlestown and the North End put together teams, which consisted of teenagers from each neighborhood. Each team was also given three District A-1 police officers that would play with the neighborhood teens. The first game of the evening pitted the teens from North End against the teens from Chinatown. The winner of this match-up would play against Charlestown for the championship. This game see-sawed back and forth. Once a team would take a lead, the other team would fight back to even up the score. With thirty-five seconds left in the game and Chinatown was clinging to a two-point lead, Chinatown inbounded the ball to Officer Shaughnessy. Shaughnessy calmly drove to the basket, made the shot and was fouled. He made the one-shot free-throw which put his team up by five points. The North End then attempted a three point shot and missed. Chinatown grabbed the rebound and a foul was called. Chinatown went back to the line and made one of two free throws. The final score was 29 to 23.

**Multi-Industry Job Fair at the Career Place**

The Career Place is hosting a multi-industry job fair on Wed, Sep 14 2011 from 1-3 pm at our Woburn office.

Employers are gearing up for the fall hiring season. The Career Place has 13 exhibitors registered as of Sep 1st and we are still adding more.

Current exhibitor openings include B2B and retail sales, engineering, admissions, technical support, food services, payroll, human services, and logistics.

**Youth Leadership Program for Asian American Females**

YLP is looking for freshmen, sophomores, juniors and seniors to apply and join us for the school year. (YLP) is a yearlong leadership program specifically tailored to the cultural and developmental needs of Asian-American (AA) high school girls in the greater Boston area. We provide leadership training, leadership experience, mentorship and a safe space to explore issues of race, identity, gender, etc.

Deadline is September 30, 2011. Visit [www.girlsaspire.org](http://www.girlsaspire.org) for more information.

**Avoid Green Card****Lottery Fraud****CONTRIBUTED BY USCIS**

Have you or someone you know recently receive an e-mail claiming you have won the Green Card lottery and asking you to send or wire money? Do not fall for it – the sender is trying to steal your money!

One particular common fraud email asks recipients to wire \$879 per applicant/family member via Western Union to an individual (the name varies) in London, United Kingdom. The fraudsters often use the street address 30 Leicester Square, London WC2H 7LA, United Kingdom, but we have seen other addresses, including 24 Grosvenor Square (the address of the US Embassy in London). They have also varied the amount requested per victim (we have seen \$880, \$819 and most recently \$879 requested per victim) – and are likely to continue to do so.

The email come from a variety of email addresses designed to impersonate the U.S. State Department. We have seen fraud email addresses ending in @greencard-org.com, @usafis-org.com, @usa-dv-gov.org, @diplomats.com, @usa.com, @usa-lottery-gov.org, @post.com, @dv-state.com, and there are likely many more false addresses.

If you receive this type of email, do not respond to the sender. Forward any fraud email requesting you wire money via Western Union to spoof@westernunion.com or report it by calling 1-800-448-1492. Also report any fraud emails to the Internet Crime Complaint Center and the Federal Trade Commission online or by calling 1-877-FTC-HELP (1-877-382-4357).

Fraudsters will frequently e-mail potential victims posing as State Department or other government officials with requests to wire or transfer money online as part of a "processing fee." You should never transfer money to anyone who emails you claiming that you have won the Diversity Visa (DV) lottery or been selected for a Green Card. The Department of State does not notify successful DV applicants by letter or email.

These fraudulent e-mails are designed to steal money from unsuspecting victims. The senders often use phony e-mail addresses and logos designed to make them look like official government correspondence. One easy way to tell that an email is a fraud is that it does not end with a ".gov".

# District A-1 Community Basketball Tournament

## BASKETBALL

CONTINUED FROM PAGE 1

What a game!

The championship game featured Charlestown vs. Chinatown. Charlestown had been favored to win the tournament. They had been the only team that defeated the Boston Police District A-1 team. That game was exciting from the beginning to midway through the final half. Charlestown then took over the game and coasted with ease.

In the championship game, Chinatown quickly shook off their underdog status and gave Charlestown a battle from the start. After a valiant effort, the fatigue factor took over and Charlestown pulled away. The final score was 57 to 46. Chinatown was lead by Officer Mark Loewen who scored 13 points. The Charlestown team was lead by Randy Gambaro who poured in a tournament high 16 points. At the end of the championship game, Charlestown was presented the first place trophy. Trophies were also presented to Chinatown as the runner up and the North End for the third place finish.

### Chinatown Team:

Coaches: Nicholas You and Dave Vo (both from Boston Asian YES)

### Players:

## Boston Police: District A-1 - Chinatown CITIZEN ALERT

### Theft from Motor Vehicles

District A-1 is reporting a rash of motor vehicles being broken into and property taken from the vehicles. The crime is occurring throughout the neighborhoods. We are advising all residents to aggressively be observant of any suspicious activity in the streets and contact 911 immediately (from Cell phone please call 617-343-4911 for Boston police 911). We recommend that all crime watch groups plan out times and days of the week that can take their turns watching over their local streets. District A-1 officers are proactively patrolling the neighborhood to apprehend those criminals responsible for these crimes.

District A-1 recommends the following security tips for target hardening motor vehicles:

- **Never leave valuable items exposed to public view.** - GPS systems, Car phones, coats, briefcases, pocketbooks, gifts, etc. attract a thief to break into your motor vehicle. Remove valuable items from your motor vehicle or lock them in the trunk. Remove any markings that would show signs of a GPS system.
- **Lock your doors and windows.** - A thief will attempt to insert a wire into a slightly open window to pop up the door lock. An unlocked door is an open invitation to a thief.
- **Invest in an anti-theft device.** - Protect your motor vehicle from being stolen. An audible alarm alerts attention to the motor vehicle. Anti-theft locking devices hold the steering wheel in place. Having an anti-theft device can also lower the cost of your auto insurance.

If you know anything about a crime that has happened, please contact the District A-1, Community Service Office at # **1-617-343-4627**.

## YOUTH

## Advice from the Director of Admission at Emerson College

## CONTRIBUTED BY TEEN VOICES

Near the busy Boston Common lies the Emerson College campus. From her office, Director of Admission Sara Ramirez overlooks a city with one of the highest student populations in the country and more than 32 colleges and universities. Teen Voices met Ms. Ramirez and got the inside scoop on everything from the ideal applicant to the value of education.

**Teen Voices:** What is your job as an admissions director?

**Sara :** Basically I'm responsible for the freshman and transfer student enrollment every year. I come up with a strategic plan for the office to do various activities to encourage students to apply for admission. That's during the summer and fall, and then during January through March we spend a lot of time reviewing all of the applications that we have received. Then after that, once we accept students, we spend time recruiting those students, trying to encourage them to enroll at Emerson.

**Teen Voices:** As part of your job, what is it like to turn people away?

**Sara :** It's hard! Because there are times when we meet students that we really like and really connect with, and then for one reason or another we're not able to admit them. If there's a particular weakness, like their grades aren't what they should be, we might encourage them to take some classes somewhere else, like at a community college, and then reapply as a transfer student.

**Teen Voices:** Can it be hard making those decisions either accepting or rejecting students?

**Sara :** Definitely. It can be like splitting hairs! Last year we received a little over 5,000 applications, and we admitted about 45 percent. Which means that we're not admitting 55 percent, so over half of the students are not admitted. Not all of the students will be denied admission, because we also have a wait list. And if there's room then we'll take students off of the wait list.

**Teen Voices:** When you're reviewing an application is there any particular thing that you put a lot of emphasis on?

**Sara :** I think academic preparedness, how you have done in high school, the grades you've received, and the stu-

dent's writing ability are all important because in college classes there's a lot of writing involved. We also look at what we call personal match, meaning if students have been involved in activities that particularly relate to their major.

**Teen Voices:** What type of advice would you give to teens thinking about applying to colleges or looking at colleges?

**Sara :** I think the process of looking at colleges is about knowing yourself. Before you start the process think about what you want in a college. The more self-aware you are, the easier it is going to be to find schools that fit your need. Another thing is to keep an open mind during this process. There's no one best school. The best school for you might not be the best for someone else. When you're looking at colleges just know that even though the school might have a big name or you may have heard about it because your friends have gone there, it might not be the best school for you.

**Teen Voices:** Let's say a teen decides not to go to college straight out of high school. What do admissions officers look for in a student who decides to go back to school later on in life, after working or after having a child?

**Sara :** I think that we're still going to look at what your academic preparation was in high school and if it wasn't stellar then we would encourage that you take a couple of classes elsewhere. But usually it's better during the transition to take classes for a year or so and then go full time. If you're working full time it will be very difficult to work and go to school. You probably are going to have to do one or the other part-time.

**Teen Voices:** Once a student is in college, what is the biggest thing she should be prepared for?

**Sara :** I think that a lot of times students may have received As and Bs in high school and they come to college and think it's going to be a piece of cake and that they're going to receive the same grades without doing much work. It's not true. I think that classes are more challenging in college.

## EQUAL HOUSING

## WESTLAND AVENUE APARTMENTS

- Located in the Fenway Area in Boston -

Westland Avenue Apartments will open its Section 8 wait list on September 1, 2011.

We will be accepting applications for studio, 1 bedroom, 2 bedroom, 3 bedroom and 4 bedroom apartment homes.

# Quincy's Growing Asian Population: Income, Housing, and Prejudice

## QUINCY

CONTINUED FROM PAGE 1

Becoming the norm: Signage in Quincy beginning to incorporate the Chinese language.

"The goal of the task force wasn't to punish those who were not complying to the regulations," said Yau. "We understood that culture, as well as the language barrier made things difficult to understand for landlords, especially if they were Asian."

According to Yau, many of the Chinese immigrants that had bought houses and turned their basements into six or seven small units were not accustomed to regulations within their own homes. "In China, if you buy a house, you can do whatever you want with it, but that's not the case here," she said.

"Money has also been tough for immigrants," said Brothers. "But even more so in times of economic turmoil. It's only natural that people find a way to make some extra money - immigrant or not."

To date, nearly 200 illegal housing units have been uncovered by the task force.

"The task force did their job. I think a lot of the Chinese immigrants are scared to do things like [construct illegal units in basements] now," said Tony Liang, co-owner of Fuji 1546 restaurant on Hancock Street. Liang moved to Quincy from China when he was three-years-old, and has been in the area ever since. "That's probably why there aren't as many cases reported anymore."

### Quincy's High Schools and Racial Tension

Quincy has two high schools, North Quincy High School and Quincy High School. As of the 2010 census data, North Quincy High School has an Asian student population that makes up 32% of the total - mainly second generation American-born Asians, where Quincy High School is directed more toward the new immigrant and English-as-a-second-language (ELL) classes.

Tony Liang and his cousin, Bonnie Ly, both attended North Quincy High School between 1996 and 2001.

Sunshine Travel provides bus service from Quincy's Kam Man Supermarket to Boston's Chinatown. The link between the two areas is still strong.

"We were the first generation of Asian kids to go to school in Quincy," said Ly. "Our parents had bought a house and moved to the area, and we were living their American Dream. Being the first Asians some of the White kids had ever seen meant there was bullying and racism for a while."

"The worst of the racism probably occurred in high school," said Liang. "Sometimes a large group of Asian kids would fight with a large group of White kids afterschool. Then [the fighting] would sometimes spill into school the next day."

"It usually starts with little racist slurs, like Ching-Chong Ching-Chong," said Ly. "Little things like that would often lead into big fights."

Both Liang and Ly said that the racial prejudice and fighting stopped around junior year of High School.

"I don't know why that was," said Ly. "Maybe everybody just got older?"

But the racism directed toward Asians wasn't just confined to the schoolyard. Ly tells of many stories, while working at a Hannaford's supermarket in her teens, of elderly women telling Ly to "go back to her country."

"I remember one time an elderly woman said, 'How come my son has to sleep on my couch and can't get a job, and they give jobs to people who can't even speak English?'" said Ly, who speaks fluent English, and says she has done so since primary school.

"Perhaps the older, more racist generation is dying off and that's why we see less of the racism handed down," said Ly.

### The "Diversity Model"

One of the unique aspects of Quincy's Asian population is its homogeneity - the majority of the population coming from the Cantonese-speaking regions of Southern China and Hong Kong, according to Yau. She sees Quincy developing into the "Diversity Model" - a city where the Asian population successfully assimilates into the larger community.

"[Being a mainly Cantonese-speaking Asian population] makes it easier for us in local government to establish activities that help assimilate the Asian community into the Quincy community as a whole," she said.

According to Yau, a common question posed to her by the non-immigrant popu-

lation in Quincy is "Why don't the Asians participate?"

Aisles of toys to cater to the growing demand at Kam Man Supermarket

"It's difficult for the immigrant Asian to get out of the survival mode - working seven days a week, paying the bills etc. - and get out to participate in events like the Thanksgiving celebrations," Yau said. "I mean, where do the immigrants find the time?"

Wanting to reach a larger audience, Yau started her own Cantonese-speaking television show that caters to the Asian community in Quincy, highlighting local events and issues that are relevant to more than just the Asians.

"The program is all volunteer-driven. If you are the cameraman on an episode, you're going to get your family members and friends to watch it," Yau said. "We hope to reach as many people as possible with word-of-mouth."

With incidences of racism and prejudice declining, it appears as though the Asian community is assimilating - whether they know it or not.

"As I've gotten older, I've definitely seen less racism," said Liang. "Since I've been here, the Asian community has grown to be an important part of the community. We provide restaurants and services, and contribute to the society."

## HELP WANTED

### Wellesley Public Schools WELLESLEY, MA

#### 2011-2012 ANTICIPATED OPENINGS

##### Elementary

- 1.0FTE K-8 Board Certified Behavior Analyst
- .5FTE Speech and Language Pathologist

Please send cover letter and resume to: Salvatore Petralia, Assistant Superintendent, Wellesley Public Schools 40 Kingsbury Street, Wellesley, MA 02481 by Friday, September 16, 2011

Actively Seeks to Increase the Diversity of its Workforce.

## Feng Shui Delivers!

By Anna Ing

Feng Shui's motto is "Taste, Quality and Style" and they deliver it in spades. It is off Route 9 (west bound next to Chuck E Cheese) 801 Worcester St, Natick, MA with other locations in Cohasset and Chelmsford with fourth location in Tyngsboro on the way. Named after the study/science mix of Chinese Astronomy and Earth, Feng Shui diners are welcomed into a dining with soothing muted colors, various rooms and relaxing atmosphere. Plus there is an extensive menu with hibachi, sushi, mixing the best of Chinese and Japanese cuisine.

For starters, the Minced Chicken with Pine Nuts with hoisin sauce (Chinese glaze/dipping sauce) and lettuce leaves (\$9) came out. The hoisin sauce mixed well with the chicken mixture and the crispy lettuce leaf gave a nice crunchy accent. The Rainbow Maki (\$13) eel, avocado, cucumber & tobiko, spicy mayo wrapped with assorted sashimi and Snow Mountain (\$13) has tempura shrimp, tobiko, with snow crab and mayo along with tempura ake (inside/out). Both rolls were fresh and delicious. Their version of General Gau's (\$12) has tender breaded bite sized chicken pieces in an orangey and slightly spicy sauce garnished with steamed broccoli crowns. Caterpillar Roll filled with unagi (eel) and covered with avocado is satisfying combo that is both rich and creamy.

A buffet is available during lunch time from Monday to Saturday and all day on Sunday. Though the choices were a little limited, all the choices are very fresh, appealing with sashimi, hot entrees, dumplings - ha gor (shrimp) and shumai (pork and shrimp). Com-

plimentary soup choices of miso, won ton and hot sour are included. For only \$5 more, one stir fried lobster is available: with black bean sauce or ginger scallion style.

A perfect ending was the Flute Limoncello (\$6), a parfait that was refreshing, light, tart and delicious. The meal satisfied used no MSG, and unlike other Chinese restaurants light handed on their use of oil. After a few repeated visits, the food is consistently fresh, delicious, with excellent hospitality and service. Feng Shui delivers an enjoyable dining experience eating quality Asian Fusion cuisine.

## 移民資訊

## 避免綠卡彩票詐騙

供稿人：USCIS

你或你認識的人最近收到一封電子郵件稱你已經贏得了綠卡，並要求你發送或電彙錢？不要被它蒙騙，發送者正試圖竊取你的金錢！

一個特別常見的欺騙電子郵件要求收件人彙\$879美金作為每個中獎或個別家庭成員的費用，透過西聯彙款給發件人（名稱不同）在英國倫敦的地址。該騙子經常使用的街道地址是英國倫敦萊斯廣場30號。其他地址包括格羅夫納廣場24號（地址與倫敦美國大使館相同）。他們要求的金額也各有不同，由\$880美元；\$819美元以及\$879美元。

這封電子郵件模擬美國國務院，通常欺詐電子郵件地址結尾是@greencard-org.com；@usafis-org.com；@usa-dv-gov.org；@diplomats.com；@usa.com；@usa-lottery-gov.org；@post.com；@dv-state.com，並有可能有更多的假地址。

如果你收到這類電子郵件，不要回應給發件人！把欺詐電子郵件通知西聯spoof@westernunion.com或致電1-800-448-1492。此外報告任何欺詐電子郵件給互聯網犯罪投訴中心和聯邦貿易委員會網址或致電1-877-382-4357。

騙子經常利用電子郵件冒充國務院或其他政府官員，要求受害者在網上轉移資金作為“處理費”，你不應該交付任何費用，因為美國國務院從沒有通知成功抽簽的申請人任何信函或電子郵件。

這些欺騙性電子郵件的目的是竊取金錢。發送者往往使用虛假的電子郵件地址，徽標設計，使它們看起來像政府官方信函。一個最簡單的辨別方法是欺騙性電子郵件的郵件地址並沒有“.gov”的結尾。

## 什麼是失業金

失業保險金是在1935年正當美國進入經濟衰退時設立，當時主要是提供暫時的幫助給數百萬計的失業人士，其次是穩定當時社會的經濟。發展至今日，這項計劃已經成功地幫助無數人士渡過難關。

這個保險金計劃是聯邦政府的項目，通過每一個州的失業局提供服務。由於每個州都有所不同，所以每個州政府根據聯邦政府的指引，再定出該個州的法律。故此，不同的州就可能有不同的規定。申請人必須符合該州的條件才合資格申請。

在麻省，失業總局是位於19 Staniford Street Downtown Boston。任何顏色的地鐵都可以到達。另外，在華埠 210 South Street Boston 亦設有辦事處，方便市民接受服務。除失業外，失業局更設立就業網，提供就業及培訓方面等服務。

有很多人以為失業金是一種福利或救濟，所以在有需要的時候也堅持不願意申請。事實，失業金是一種保險計劃，是專為一些被遣散或裁員的僱員而設，這些僱員並不包括因私人理由而自願離職者或犯錯被解僱的人士。在全國，大部份的州，包括麻省（祇有三個州外）都是以過去所報的收入來計算出可領取的金額及周數。在未計算延期情形

下，最長可領取為期30周的失業金。而僱主亦跟據僱員的收入為僱員投保。

從1978年開始，失業金成為一項要付稅的收入，在1994年的12月後，領取失業金的人士更可選擇預先扣除或在填寫報稅單時一起計算。但是如果是需要補稅的話，亦可能被稅局罰款。各位可以向報稅專業人士查詢。所有接受失業金的人士都會在一月卅一日前收到一份1099 G 報稅表格，內容包括在上一年所收到的失業金總額，及已扣除的聯邦及州稅等。所有內容都應該報在報稅單上。

失業金可算是打工人士的權利，但是在領取失業金的期間，亦有義務遵守以下的規定：

第一：隨時可以接受工作。包括舊僱主通知你返回原來的公司工作等。  
第二：必須活躍地尋找工作。領取失業金的人士必須在每星期以2種方法尋找3份工作。方法包括填寫申請表，打電話，與職業介紹所聯絡及查詢等。失業局會給你一個表格，將每星期找工作的紀錄填好，以備抽查。如被發現犯規人士，須賠償已領取的失業金。請大家緊記。

每2個星期，申請人都要回答相關的問題，才可獲發失業金。

最後想提醒各位，在領取失業金的期間，如要外遊或已找到工作等，亦必須盡快通知失業局。以便作出適當的調整。

## 青年專欄

## 申請大學提示

供稿人：青少年之聲

薩拉·拉米雷斯女士是波士頓愛默生學院 (Emerson College) 的收生部主任。她在二零一零年會見青少年之聲，作出以下列投考大學的提示。

青少年之聲：什麼是收生部主任的工作範圍？

薩拉：基本上我負責每年的招生工作，包括新生和轉校生。招生計劃是鼓勵學生入學，申請時間是在夏季和秋季。然後在一月至三月，我們會花很多時間審查所有的申請。學生一旦取錄，我們將鼓勵他們入讀愛默生學院。

青少年之聲：對於被拒的申請者，你是如何應對？

薩拉：很難，尤其是我們遇到一些我們很喜歡和覺得很連接的學生，但因為某種原因，使我們不能錄取他們。如果他們有一個特定的弱點，比如他們的成績不理想，我們會鼓勵他們暫時報讀其他學院，例如社區學院，然後重新申請為轉校生。

青少年之聲：接受或拒絕入學的決定是否十分困難？

薩拉：當然。去年我們收到5000多份的申請，我們錄取45%左右。有超過一半的學生沒有被錄取，但是有部分學生被錄取在等待名單。如果有空缺我們會提供學位給在等待名單的學生。

青少年之聲：當你評估一個申請表格時，你有沒有特別的強調？

薩拉：我會強調學術准備，高中成績及學習活動和學生的寫作能力。因為在大學課程有很多寫作。我們也會留意申請者的個人專長，該項專長與主修科目的關聯。

青少年之聲：你會有什為提示給申請入讀大學的學生嗎？

薩拉：我認為考取大學要知彼知己，申請之前應該考慮你就讀的大學會提供什麼給你自己。如果你能夠這麼處事，那麼尋找適合的大學就會很容易。另一方面，你一定要放棄申請大學的視野。通常很難找到一間理想的大學。最適合你的大學並未必適合其他人。有些名氣大的大學或你的朋友在那裏攻讀，但是這大學未必是你的理想對象。

青少年之聲：如果一個中學生決定暫時不攻讀大學，在外面工作數年後或有家庭以後申請大學，大學收生部會如何錄取？

薩拉：我認為我們還是看他在高中的學術准備和成績，如果它不是理想的話，我們會鼓勵他在其他大學修讀一些科目，通常這些學生應該從開始時修讀比較少的科目，然後增加至全職攻讀。全職讀書與全職工作是十分困難。

青少年之聲：一旦學生在大學裏，什麼是最重要的準備？

薩拉：我覺得很多學生在中學成績優異，他們會認為在大學的攻讀也是這麼容易，但這是不確定的。我認為修讀大學是更具挑戰性。

每種膚色

## 健康專欄

Tufts Medical Center

## 談精神健康

各位讀者，我的名字是徐理強，我是一個精神科醫生。目前在波士頓Tufts University 醫學院精神科學系的教授。做精神科醫生對中國人來說是比較冷門的。我為什麼今天想與大家說說精神健康的問題呢？第一，人類身體健康在過去二十多年裏一直有進步，人的壽命也不斷的延長，但是相反精神健康變成一個相當嚴重的問題。在1996年的時候，國際銀行做過一項測試。他們認為在未來20年裏憂鬱症將是人類第二個公共衛生的問題。第一個問題是有關血管的病，而第二個問題精神健康問題，特別是憂鬱症。既然精神健康問題是個這麼大的問題，我們中國人不願意去面對它，承認它的存在，是一件非常可惜的事情。在2002年，國際衛生組織對14個國家作了一項很大的研究。他們向研究一下在這14個國家裏面，他們的人民的精神健康情況如何？

在亞洲他們選擇了中國和日本兩個國家。在中國選擇了北京和上海兩個城市進行研究。其他12個國家，有些在歐洲，有些在非洲，有些在北美洲，有些在南非。讓我們覺得奇怪的發現就是，14個國家裏面，承認自己有精神健康問題最低的國家是中國和日本。亞洲兩個國家在14個國家裏，精神問題根本好象不存在。只有2%的人承認有問題。對比起其他國家，有5%-15%的人承認有問題，實在太低。這麼低的比率並不表示說中國和日本的人們的精神健康非常好。反而告訴我們中國和日本人並不承認有精神健康問題。華人，日本人，亞洲人的文化普通不良影響。現在舉個例子，在香港有個城市叫沙田。1980年做了個研究，幾千個人只找到2%的人承認自己有壓抑症。到2000年再做同樣的研究，又在這個城市——沙田。已經有8%的人承認有壓抑症。為什麼在20年期間，增加了四倍？這個告訴我們，最簡單的解釋是，文化開始開放，慢慢的對自己的精神健康問題有更多的瞭解，所以更多些人願意承認有這個問題。不承認是否代表問題不存在呢？並不是這樣。

不承認會帶來幾個不良的結果。第一，有許多人在人生裏面有很多的掙扎，很多的痛苦找不到出路。中國人和日本人自殺的比率是全世界最高。這兩個這樣的現象告訴我們應該更加積極面對精神健康問題。來面對如何接受治療它，如何改進我們的精神健康。我覺得在後果裏面，產生的問題實在很多。在美國的華人來看，最簡單是兩代之間經常出現問題。父母和兒女沒辦法溝通。可能因文化背景，可能因為語言上的問題，可能因自己個性的困難。但是明顯我們能看見中國人的青年們，讀書成績很

好，但是在人際關係上面，在他們成長的過程當中，確有很多困難和痛苦。另外一個問題是，中國人和很多地方喜歡賭博。很多人說他們沒有地方去，放假不知道該做些什麼，不如去賭博。很多人因為這樣賭博上了癮，造成家破人亡的現象。這些問題我們必須面對，必須承認。

我盼望我們大家對於精神健康的問題能夠正視，能夠面對。我們要對精神健康問題有一定的瞭解。很多中國人說這是因為身體不好。當然，從某一個角度來說，精神健康與身體健康有關。但其實與精神健康更加有關的是大腦功能混亂。這是在大腦功能出現功能障礙。我們中國人對大腦功能很少瞭解。對於心理也有很淺的瞭解。比如我們常說是神經衰弱這個詞如果廣義來講，神經系統的神經細胞與神經細胞出現了問題。這個是現今醫學對精神健康，心理問題的瞭解。這是大腦細胞溝通有問題，溝通困難。這個介質，就是說這個介質從一個細胞傳遞到另一個細胞的介質上出現了問題。我們中國人對這些觀念非常不瞭解；第二，中國人對於藥物的治療，精神病藥物的治療非常的懼怕。

我常收到電話，來詢問我有關精神治療的藥物有沒有副作用，會不會傷害身體。其實我們是反知道這些藥物，這麼多它已經進步了很多。時間藥物審核通過的結果。這些藥物幫助，而並不是有傷害。人不生病的時候，精神健康問題。我們有時候經歷這個問題的時候，我們經常是頭昏，眼花，心跳，耳鳴，沒胃口或失眠。我們經常用這樣的理由去看醫生，與醫生說我經常頭昏，眼花，心跳，耳鳴，吃不好。這樣會很迷茫，做很多測試，找不到問題，然後告訴你，你身體很好，沒問題。其實他不知道，這些問題是我們中國人精神健康表現出來的症狀。我們因為開心，我們心裏面有很多這些症狀——頭昏，眼花，心跳，耳鳴，失眠，吃不好，這些確實是精神不佳的情況，所以很多時候如果不瞭解，醫治起來也會有很

多的困難。我盼望我們大家能夠面對，心理健康已經是目前公共衛生的一大問題了。我們身體的健康隨著公共衛生的進步，已經不再是一個很嚴重的問題。以前很多人因肺病，很早就去世，或者是其他的感染，很早就去世，現在已經很少。通常我們身體的情況，健康的情況非常好，但我們心靈的情況卻出現了很多時候有很大的危機和問題。

我盼望大家一齊來面對這個問題。在較後的時間，我會用更多的機會，有更多的時間與大家更加集中地來討論，究竟中國人精神健康問題是什麼呢？我們的文化為什麼這樣阻止我們去面對它呢？開多少種呢？特別是憂鬱症，我們該如何瞭解它呢？究竟精神病的治療又有什麼呢？心理治療，藥物治療有什麼呢？有沒有不良的影響呢？我也想跟大家提一下，如何幫助自己增進我們自己的精神健康，我盼望到時候我們大家能夠收看。那麼我們有多一點時間深入點思想，多謝大家！

## 波士頓警察： A-1區分局-華埠Chinatown 市民戒備報告：

### 關於近期汽車被拆入偷竊事件

從A-1區報告中最近有多次報案是關於汽車被打破窗門拆入盜取財物。這些罪行是發生在華埠鄰里中。我們在街道勸告所有居民提高警覺，留意週圍所有可疑活動，如有可疑人物或有非法活動請立刻與警方911聯繫（手機請撥打617-343-4911波士頓警察911）。我們建議居民協助治安巡邏隊加強人手及計劃每星期加長時間採取輪留觀察這個華埠地方街道。波士頓A-1區警察會積極加強巡邏鄰里及負責捉拿那些犯罪罪行。

A-1區推薦以下汽車防盜的防盜設備和技巧：

- 不要留下貴重物件在汽車內的當眼處。** GPS導航系統，手機及各樣電器用品，外套，公文袋，皮夾，禮物等等。這些都是極吸引竊賊而導致拆入您的汽車。辦法是將您的貴重物品鎖在車尾箱內。除去GPS系統架或抹去窗上有顯示GPS系統的吸盤印。

- 鎖好您汽車的門和關密窗戶。** 竊賊會試圖將一根鐵線插入一個微微打開的門或窗口來打開門鎖。一個沒有鎖的門窗是一個公開邀請竊賊的請諫。

- 投資一個防盜設備。** 可大大減低汽車被拆入。一個有聲警報系統可提高告其他人和警察對汽車的注意。馱盤防盜鎖等都是防盜設備。有一個汽車防盜設備可降低您的汽車保險的價錢費用。

如果您知道任何資料關於發生了的罪行，請與A-1區社區服務辦公室聯繫 617-343-4627

## A-1區社區籃球錦標賽

為增進社區聯絡，A-1區社區服務中心於本月二十四日舉辦了第一屆社區籃球錦標賽。是次比賽假艾弗里街四號（4 Avery Street, Boston）的The Sports Club/LA舉行，由波士頓公園（Boston Common）及Millennium Place Primary Condominium Ritz-Carlton Hotel & Towers的Christine Dunn和John Ciolfi贊助各參賽隊伍球衣、披薩及飲品。Ritz-Carlton Hotel & Towers的糕點大廚更特別為他們炮製精美蛋糕。

華埠（Chinatown）、查爾頓市（Charleston）和北岸社區（North End）三個社區分別挑選青年球員組隊作賽，每隊獲分配三名A-1區警員與青少年一同作賽，互相交流球技。第一場賽事由北岸社區隊對華埠隊，勝出一方繼續與查爾頓市隊爭奪冠軍錦標。兩隊展開一場激烈的拉鋸戰。球場上雙方各有得分，爭持不下。於臨完場前三十五秒，華埠隊在領先兩分下，由Shaughnessy警員輕鬆投入一兩分球並被犯規，他投進罰球後把比數分差拉至五分。北岸社區隊即嘗試以一個三分球反擊，惜無功而回，並被華埠隊搶去籃板及取得兩個罰球機會。最後華埠隊投進一個罰球，以比數29:23結束這場緊張刺激的賽事！

冠軍賽由華埠隊對壘查爾頓市隊。查爾頓市隊是唯一一支曾擊敗A-1區波士頓警察隊的球隊，賽前被視為奪冠大熱。整場冠軍賽同樣驚險萬分，查爾頓市隊盡顯其冠軍風範，掌握整場球賽節奏，而華埠隊亦施展渾身解數，力求與查爾頓市隊一決雌雄。經過一輪激戰後，華埠隊因體力不支而被對手大幅拋離，最終以比數47:56不敵查爾頓市

華埠隊

隊。華埠隊的Mark Loewen警員攻入全隊最高的13分；查爾頓市隊的Randy Gambaro則取得全隊及整個錦標賽最高的16分。比賽結束後，查爾頓市隊獲頒冠軍獎品，而華埠隊及北岸社區隊分別獲發亞軍和季軍獎品。

是次代表華埠隊的球員包括波士頓警局的Mark Loewen, John Shaughnessy和

Bruce Kwong；波士頓亞裔青年會的Michael Hoang, Si Pan Leong, John Wong, Eric Li和Victor Wu；及華埠王氏青年會的Jeremy Chiu, Daniel Qiu, Allan Vuong, Anthony Chen和Gregory Rodriguez。華埠隊的教練分別由波士頓亞裔青年協會的Nicholas You和Dave Ho擔任。

北岸隊

查爾頓市隊

## 圓夢·置業 華美速成房屋貸款

不論購置新居或重新貸款，
